## **Privacy Policy**

At Predictive Numerology, we respect your privacy and are committed to protecting your personal information. This Privacy Policy outlines the types of information we collect, how we use it, and the measures we take to ensure your data is secure.

### **Information we collect**

we collect information that you voluntarily provide to us when you use our services, such as your name, email address, date of birth, and any other details necessary for our numerology services. We may also collect non-personal information automatically, such as your IP address, browser type, and usage data to improve our services.

### **How We Use Your Information**

we use the information we collect to provide, maintain, and improve our services, respond to your inquiries, and personalize your experience on our website. We may also use your information for internal analytics to understand user behaviour and enhance our offerings.

### **Sharing Your Information**

We do not sell, trade, or otherwise transfer your personal information to third parties without your consent, except as required by law or to protect our rights. We may share your data with trusted service providers who assist us in operating our website and delivering our services, as long as they agree to keep this information confidential.

### **Security of Your Information**

we implement a variety of security measures to protect your personal information from unauthorized access, use, or disclosure. However, please be aware that no method of data transmission over the internet is entirely secure, and we cannot guarantee absolute security.

### **You're Rights**

You have the right to access, correct, or delete your personal information at any time. If you wish to exercise these rights or have any concerns regarding our privacy practices, please contact us at:

**Email:** [contact@predictivenumerology.net](mailto:contact@predictivenumerology.net)

### **Changes to This Privacy Policy**

we may update this Privacy Policy from time to time. Any changes will be posted on this page, and we encourage you to review this policy periodically to stay informed about how we are protecting your information.

### **Contact us**

if you have any questions or concerns about this Privacy Policy, please feel free to contact us at: **Email:** [contact@predictivenumerology.net](mailto:contact@predictivenumerology.net)
